

Regulations and Procedures for the Award of Aegrotat and Posthumous Qualifications

2022-23

Issued by the Standards and Enhancement Office

Approved by Senate 16th March 2015

Technical updates of this document are undertaken on an annual basis to reflect changes to the University's organisational and management structures and to incorporate earlier, approved amendments to related policies, procedures and regulations

This document relates to the current year. If you become aware of any previous versions that are available on line please notify SEO@bolton.ac.uk so that action can be t

Scope

This regulation applies to all undergraduate and postgraduate programmes awarded by the University of Bolton.

Definitions

The following definitions are used throughout the regulation.

Assessment Board: A committee to agree final student marks, determine progression and award of an Intermediate Award or End Qualification as outlined in the *University Regulations and Procedures for the Organisation and Conduct of Assessment Boards*.

End Qualification: The qualification aim for which the student is registered.

Intermediate Awards: The highest level of award which a student achieves who has not successfully completed the End Qualification.

Programme of Study:

1. Aegrotat qualifications

- 1.1 An Aegrotat qualification is an unclassified qualification that may be conferred upon a candidate on the presumption that the candidate, who is unable to continue their studies, would have satisfied the standard required for the End Qualification, or Intermediate Award,

possible. If they decide to continue, the candidate will be subject to the normal University regulations for transfer and progression/assessment.

2.3
